COLD PRESSED JUICES

"The secret behind our delicious juices is that they are cold pressed. This pressing action doesn't heat or oxidize the fruits and vegetables like traditional high-speed juicers. The result is a nutritionally packed live juice that is stunning to taste and with all its enzymes, vitamins and other vital elements preserved."

ESPRESSO COFFEES

ALL COFFEES CAN BE SERVED HOT OR ICED (200ML)

LONG BLACK

60

A long black is similar to an Americano, which is made by adding hot water to the espresso shot, but the original long black retains the crema and is less voluminous, therefore more strongly flavored

FLAT WHITE

65

Compared to the Café Latte the Flat White has a higher proportion of coffee to milk and milk that is more velvety in consistency, allowing the espresso to dominate the flavor, while being supported by milk

CAFÉ MOCHA

65

Perfectly blended espresso shot, chocolate, condensed milk and fresh steamed milk

CAFÉ LATTE OR CAPPUCINO WITH SOY MILK OR OAT MILK

70

A shot of strong espresso coffee, with hot steamed soy milk and a small amount of soy milk froth

MACCHIATO (SINGLE SHOT)

55

The name literally means stained milk. With the milk "stained" by the addition of espresso
